HCL Chairman's Report

After two damp years, what a pleasure it was to enjoy the sun for so much of the 2025 season. More sun and less rain means more matches played and that's what the summer should be all about.

It's been another year packed with incident and pride of place goes to our new Women's League 3 team who, after being thrown in at the deep end with a very hurried start to their existence, swiftly became established under the watchful eye of team manager Sue Watkins. There's clearly plenty more to come from our team in 2026 now that they have a season of experience behind them and it will be great to see how they all develop as cricketers.

Our National Counties team again exceeded expectations – progressing to the knockout stages in the T20 competition and challenging for the title in Western Division 1. This coming season will bring a new captain at the helm in the form of Herefordshire born-and-bred Luke Tulacz who has earned the chance to succeed the departing Matt Pardoe after some strong displays over the last couple of campaigns. We wish him well in his new role.

This time last year, we were welcoming two new faces to the Pentland Gardens staff in Ed McCabe and Kate Brazier. It's great to report how well they have both settled in and are proving major assets to cricket in the county.

Under the expert guidance of our general manager Richard Cox, our three other staff members Kirsty Sockett, Pete Gale and Claire Langford have all seen changes to their roles during the last 12 months but they continue to provide their usual expert assistance to the county's cricketing community.

Between the staff members and the directors, we have something like 400 years of experience of cricket in Herefordshire so if any clubs or individuals have anything cricket-related that they need to know then we are all at your disposal. Don't be shy about asking!

On a personal level, I'd like to thank all of the staff for the fantastic work that they do. And my thanks, and admiration, also go to my fellow directors who are all volunteers but continue to give so many hours and so much knowledge and expertise to the running of cricket in our county.

Finally, I'd like to express my continuing gratitude to all of our generous sponsors whose contributions do so much to allow Herefordshire Cricket to survive and thrive.

Let's hope that the sun will continue to shine in 2026.

Taylor Cornell batting on his way to 174 against Devon at Eastnor, an innings which earned him the award for the outstanding individual performance of the season by a first-team player. In the previous match against Berkshire, Cornell had taken 10 wickets in the game to underline his very special all-round talent.

We are very grateful to our sponsors who give us such generous support, especially our main sponsors, Rotherwood and Blackfinch Property.

We also thank GB Liners, Formus Pro, John Finch Computers, Wyevale Nurseries, Oracle and Fearnleys for their substantial contributions and all the other businesses, individuals and cricket clubs who give their unstinting support throughout the season, especially our three NCCA hosting clubs Brockhampton, Colwall and Eastnor.

NATIONAL COUNTIES FIRST XI REPORT

HEREFORDSHIRE more than held their own on their return to Western Division One of the National Counties championship and, indeed, with one more wicket against Berkshire at Falkland and a lot less rain at Redruth against Cornwall, the county side could quite well have finished at the top of the table.

That particular scenario didn't seem very likely after the season's opening match against Oxfordshire at Eastnor when rain arrived with the visitors only two wickets short of what would have been a comprehensive victory. Only two excellent innings from stand-in captain Ollie Walker, 84 in the first and an unbeaten 91 in the second, with able support from Hasan Mahmood (72) first time around and then Luke Powell (39) prevented a very big loss.

Considering the potential psychological damage of that match, what then happened in the next game at Falkland, against reigning champions Berkshire, was an extraordinary turnaround. Bolstered by the return of skipper Matt Pardoe and all-rounder Taylor Cornall, Herefordshire turned in one of their best-ever Division One showings and were deprived of victory only by the tenacity of home skipper Dan Lincoln, whose 101 and unbeaten 87 were just two of several outstanding batting displays in an entertaining match. For Herefordshire, the best of these came from Powell who was dismissed just four short of becoming only the fourth county born and bred player to score a championship century. It's surely only a matter of time before the talented Powell adds his name to that list of Richard Skyrme, Richard Barlow and Barney Morgan with Luke Tulacz, who contributed a fine 69 in the second innings, another contender for that particular roll of honour.

The platform in both innings had been laid by the opening pair of Pardoe (78 and 64) and Ben Chapman-Lilley (86 and 56) who posted two century opening stands in blisteringly hot conditions. The outstanding bowling came from Cornall who followed his first innings 7-70 with 3-85 second time around, as Herefordshire narrowly failed to separate the last pair to secure a memorable win.

If Cornall's bowling had been a significant feature of the match at Falkland then, in the following encounter with eventual champions Devon at Eastnor, it was his batting that took centre stage. After the persevering Roshan Venkataraman (5-105) and Walker (3-24) had plugged away in Devon's first innings of 362, Cornall produced a brilliant 174 in a significant double-century stand with Pardoe who showed his undimmed brilliance on the way to 126.

But the exceptional quality of the Eastnor pitch, which

gave little help to bowling of any of the disciplines, saw Devon bat and bat in their second innings on their way to 420, leaving insufficient time for a Herefordshire victory charge, although Pardoe, with an unbeaten 78 gave it a good go.

Optimism was high going into the final game at Redruth that a championship challenge could be made but all of those hopes were finally washed away as the largely hot and dry summer came to an end in a stormy three days. Although Chapman-Lilley (85) and Cyrus Shafi (89) posted another century opening stand and there was another fine innings from Tulacz (75 not out), the weather allowed only partial play on the first two days and none at all on the third as the draw was enough to retain the county's top-flight status.

The 50-over competition was a slow starter for Herefordshire and defeats by Shropshire and Staffordshire in the first two matches meant that progression from the group was unlikely. But wins in the last two games repaired spirits and showed that this side could match the best on its day.

Against Norfolk at Brockhampton, Walker, who had already contributed 4-52 with the ball, demonstrated his brilliance with the bat on his way to an unbeaten 108. He was ably supported by Cornall (40) and Alex Hinkley (40 not out) as a five-wicket win was achieved with time to spare.

Walker (66) was again in fine form at Sudbury but it was James Rudge, who put Suffolk to the sword at the end of the innings with 57 – following on from an equally spectacular 62 earlier in the campaign against Staffordshire – that set up a 35-run win, underscored by spinners Pardoe (4-55) and Imaad Mahmood (3-46) who kept the home side in check throughout.

After working through again to the Super-12s in the T20 competition, Herefordshire found their path on to the final made tricky by a rare wet day which meant that all of the three games on the day were restricted to 10 overs per side. Although there was a sweet victory over Staffordshire in the first match, Norfolk easily passed what had seemed a competitive Herefordshire score of 95-6 in 10 overs to progress to the finals day where they went on to take the title.

Next season promises to be one of substantial transition as we say farewell to Matt Pardoe, still one of the finest players at National Counties level, and Ollie Walker, whose batting has illuminated the last four seasons with his brilliant strokeplay. Farewell, too, to coach Luke Sellers who had done an excellent job in his season in charge. Good luck to our new coach Sean Hooper, as well as new skipper Luke Tulacz, who becomes only Herefordshire's sixth appointed captain since 1992.

Derek Hince was a key figure for Herefordshire for more than 20 years

Derek Hince, who died last summer after a long illness, was a key figure in the formation and development of Herefordshire County Cricket Club as a Minor, now National, Counties side.

From the club's formation in 1992 until he stood down at the age of 77 in 2015, Derek acted as match manager for the team.

But his role encompassed so much more than the day-to-day running of the side.

When he stood down, it was estimated that Derek's role had taken in well over 30 jobs including the arranging of catering, compiling the county yearbook and selling adverts for the scorecards.

During 24 seasons, Derek oversaw 386 competitive matches for the county, not including benefit, friendly and charity games, earning the respect of the Minor Counties cricketing community across the country.

And after he stood down from his role, he continued to support the county side, travelling to many matches home and away until his health began to fail.

Derek enjoyed a long cricketing career of his own with Hereford City Sports Club. His sons, Andy and Stuart, who both followed him as cricketers in the city, survive him.

FAREWELL

Since the production of our last handbook, we have, sadly, been notified of the death of Herefordshire County Cricket Club's first match manager and general all-round driving force, Derek Hince.

A full tribute to Derek can be found elsewhere in this handbook.

Phil Thorn, who played for Herefordshire in the mid-1990s, was a regular visitor to matches in recent years. Left-arm spinner Phil, who played first-class cricket for Gloucestershire as well as turning out in the Minor Counties Championship for Wiltshire, died in September 2024 at the age of 72.

Colin Addison's claim to sporting immortality is firmly based on his

extraordinary achievements as player-manager of Hereford United's famed Giantkillers side of 1972.

But Colin, who died in October at the age of 85, was also a great supporter of cricket in Herefordshire and, until his final illness, was almost always to be seen at National Counties home matches as well as some further afield.

Towards the end of the last century, John Knill, who died in January at the age of 82, was regarded among the very best of local umpires with an outstanding career still ahead of him. Sadly, a serious facial cancer led him to withdraw from the sport.

Les Dallow, who died in January 2025 at the age of 77, was for many years a key figure at Ewyas Harold CC. A combative and lively medium pacer, who got the best out of the villagers' pitch's artificial surface, Les began his career at Little Dewchurch CC before moving on to Hoarwithy CC and then to Ewyas Harold.

When Wormelow CC reformed in 1965, David Beaumont as a leading light in the local community played a big part in getting the club re-established. David, who died in November at the grand age of 96, served for several years as the club's first secretary.

Another of Wormelow's players from that era, Malcolm Pritchard, well known around the county as a hay and straw merchant, died in November at the age of 72.

We thank them all for their services to cricket over the years and offer our sympathy to their families and friends.

Women's and Girl's Cricket

The 2025 season saw significant development across women's and girls' cricket in Herefordshire, from grassroots participation through to the senior county programme.

A major milestone was the Women's 1st XI taking part in their first-ever season of competitive cricket. It was fantastic to see a women's team representing the county at this level, creating a clear and aspirational pathway for emerging County Age Group players.

Chloe Tingle is the Herefordshire Tier 3 Women's Captain

The Girls' County Age Group programme enjoyed its most successful season to date. Each age group competed in a busy and competitive fixture programme, making 2025 the most active year yet for girls' county cricket.

Recreational cricket also continued to grow across the county with the introduction of the Women's Summer Soft Ball League. Four teams — Bartestree & Lugwardine, Kington, Eastnor, and Goodrich — competed over eight weeks of fixtures. A big thank you goes to Wyevale Nurseries for their valued support of this competition.

The Girls' Summer Soft Ball League provided an excellent opportunity for players new to the sport to enjoy regular match play throughout the summer. Hosted at Pentland Gardens, the league showcased the exciting future talent within girls' club cricket in Herefordshire.

2026

The 2026 season is fast approaching and promises to be an exciting year for women's and girls' cricket in Herefordshire.

The Women's County 1st XI have already begun an 11-week winter training programme and are looking forward to the new season, where they aim to show just how competitive they can be. We wish the team and Ritchie Harley, our new Head Coach, the very best of luck for the season ahead.

Girls' club cricket is a key priority for 2026. With the ICC Women's T20 World Cup being hosted in England, there has never been a better time for girls to get involved in cricket. We will be launching the season with a brand-new initiative — Glow in the Dark Cricket — aimed at Year 6 to Year 10 girls. This programme offers a fun, exciting, and alternative way to experience the game. In addition, a friendly Girls' Soft Ball League will run throughout the summer.

The Women's Soft Ball Indoor League continues to go from strength to strength. Now running for several years, it remains well supported by clubs, with a welcoming and inclusive atmosphere on Sunday match days — a real credit to the players and teams involved. Following a successful first year, the Women's Summer Soft Ball League will return in 2026 as we look to increase club participation.

We will also support players and clubs interested in hard ball cricket through taster sessions and friendly Super 8s fixtures, helping to create clear progression opportunities within the game.

We are extremely excited for what promises to be a fantastic year of cricket at all levels of the women's and girls' game in Herefordshire and look forward to continuing to grow participation, opportunity, and enjoyment across the county.

GROWING THE GAME: COMMUNITY AND SCHOOLS CRICKET THRIVING ACROSS HEREFORDSHIRE

Community and schools cricket continues to flourish across Herefordshire, with participation increasing and new partnerships helping to ensure that the game is accessible to people of all ages and abilities. Over the past year we have seen encouraging growth across a number of programmes that highlight the positive impact cricket can have within our communities.

One of the most exciting developments has been the continued expansion of Walking Cricket. The Hereford group has grown rapidly and now boasts 22 members. What began as a small initiative has developed into a vibrant and welcoming cricketing community, providing opportunities for participants to stay active, enjoy the game and build strong social connections. The group has also proudly represented Herefordshire in tournaments against clubs from Worcestershire, gaining valuable experience and showcasing the popularity of this format. Looking ahead, we are planning to expand Walking Cricket into the market towns of Kington, Leominster, Ross-on-Wye and Ledbury, helping to bring the format to even more communities across the county.

Another exciting step forward has been the beginning of our partnership with Wye Valley NHS Trust. Through this collaboration we are supporting patients with acquired head injuries by delivering adapted cricket sessions as part of their rehabilitation and recovery. These sessions provide opportunities for gentle physical activity, social engagement and enjoyment through sport, and we look forward to developing this partnership further in the coming years.

Our SEND (Special Educational Needs and Disabilities) cricket programme has also continued to grow. Alongside our established work with Barrs Court School and Blackmarston School, we are delighted to have started a new partnership with Westfield School. These sessions provide inclusive and engaging opportunities for young people with a range of needs to experience cricket in a supportive environment, and the expansion of SEND cricket across the county has been a particularly rewarding development.

The Boundless Boundaries programme, delivered with the support of Herefordshire Council, was a great success. Thanks to their generous funding contribution, we have been able to spend significant time coaching in areas that have traditionally had less access to cricket opportunities, particularly in Leominster, South Wye and the city of Hereford. The programme has enabled many young people to experience cricket for the first time while strengthening links between schools, communities and local clubs.

Schools cricket remains central to our work. Over the past year we have delivered cricket sessions in 30 primary schools through the support of the Chance to Shine charity, alongside a further 10 schools involved in our Champion Schools programme. Our summer competitions were once again a highlight, with almost 1,000 children taking part in festivals and tournaments across the county.

Alongside this delivery, we have continued to offer valuable staff CPD opportunities, helping teachers become more confident in planning and delivering cricket sessions themselves. By supporting teachers in this way, we are helping to ensure that cricket remains a sustainable and enjoyable part of school sport across Herefordshire.
